journalists, and men meral with money, and men employing large numbers of workmen, and men holding the appoint-ments to offices? Then, men of higher talents, and better education, and more skill in persuading people? Put all these together, they are still the few in compari-son to the great ways of volume. together, they are still the lew in compari-son to the great mass of voters. And yet what can any voter, or any number of voters, accomplish unless they have some of these few to organize and direct them?

If, occasionally, an unorganized mass of voters, by a spontaneous effort, succeed in gaining one election, yet they will never hold the power unless they get "the few" who possess the necessary qualifications to direct them, and unless they obey their

Now, this is all we said in regard to equality and inequality, and this is all we

Next, with regard to ruling, we may say : | Cures general debility and gives a new lease of life It is ordained by God "that some shall rule and some shall be ruled." Is not this Dispels pervous depression and low spirits; ordaned likewise by our State laws and our city ordinances? The Governor and the Legislature, the

Mayor and the City Council are ruling, and all citizens are ruled, or ought to be ruled. by their enactments Is this not of the very foundation of or-

der and of society? "Those who are appointed to rule have certain rights that subjects have not." Is this any strange doctrine, that the Mayor Overcomes weakness, wakefulness, and lack of enand the Board of Aldermen have rights given them to enact or to enforce ordinances which we other citizens have no right to enact or enforce, but which we are Keeps off all chills, fevers, and other malarial potbound before God and man to obey?

"Hence kings and magistrates, bishops and priests, are appointed to rule." To confine ourselves to the civil officers: Is there anything wrong in saying that our Mayor and our Governor and our President are appointed to rule? For what else

are they appointed? teria and Mr. Gladstone and the members of Parliament all appointed to rule—each one according to his and her respective For six years I have been a great sufferer from

places and powers? This is all that we say and all that we ion, while those truths are clear enough citizen, and seeks to live at the expense of the industrious by fraud, by gam-so well in six years as I do at the present time. ding speculations, or perhaps by political flice. And so the rule of magistrates is resisted, when men are strong enough or numerous enough to hope that their resist-ance may be effectual. And on all these matters public opinion is not as healthy as

it ought to be for the good of religion and society. Resistance to law and to lawful officers not unfrequently becomes a popular movement in some localities, and | will have a better tonic effect upon any one who proval through the country.
It is our duty, as teachers of God's laws, to remind the people who are disposed to listen to us of these plain fundamental truths. There may be differences of taste as to the words in which they should be expressed, but I think there is little difference of judgment, and when their meaning is set forth, that they are truths, and that they be at the very foundation of civil government and of society. Moreover, we think that their clear convenience in

think that their clear enunciation is most needed in a country of popular government. It is important that the people know the source and nature of their own power, the relations which their chosen officers have toward other citizens, and the influence to which they are subject in the influence to which they are subject in the leaders who direct their political action.

You have touched another question on which perhaps some would make a dispute, Whether all authority comes from

There is neither time nor room to

enter on it now.

I will only say that Goq's own declaration on that point is unmistakable. It is uttered by the Holy Ghost through the pen of St. Paul: "Let every soui be in subjection to the higher powers, for there is no of St. Paul: "Let every sout be in subjection to the higher powers, for there is no power but of God, and the powers that be are ordained of God."—Epistle to the Romans, xiii., 1. And it would be easy to show that this doctrine, so far from being the beautiful of the very arrath that furble agod article. anti-democratic, is the very truth that fur-nishes the most solid foundation for a demcratic government, the most effectual protection against despotism and arbitrary power, and, therefore, the best security for the liberty of the people and the peaceable enjoyment of their rights.

I remain, very respectfully, your obedi-

dient servant,

BISHOP Elder and the Pastoral.

BISHOP Elder and the Pastoral.

BE SHOWS HOW IT HAS BEEN MISREPRESENTED—THE DECLARATION OF INDEPENDENCE AND ITS MEANING—HOW CAN ALL MEN HE REQUAL?

The following from Bishop Elder on the recent pastoral of the Provincial Council, and addressed to the Commercial, was given out in Cinciunati for publication on Wednesday:

Permit me to express my wonder at the interpretation you have given to the pastoral letter of the Council of Cincinnati.

You regard it as taking issue squarely with the Declaration of Independence, as being anti-democratic, as denying the people all power, and tending to spiritual, policical description.

ple all power, and teuding to spiritual, political despotism, &c.

As one of the signers of our pastoral letter I share the responsibility of its teachings. I beg you, then, to let me show how widely you have misunderstood it.

In all that we say about equality and inscientious in the discharge of her dutles;

chances before the law than one who has arrived here in distress to-day from neither, I say chances. Thank God! that Trinidad for New York with a cargo of sometimes the most rich and influential sugar and molasses, reports that on his meet merited punishment; sometimes the voyage the schooner was blown ashore on most poor and friendless find not only promost poor and friendless find not only protection, but charitable favor. But other things being equal, the man with money has a better standing than the man with-out it.

"Politically, the few control the many."

Is not this very commonly the fact? Take Is not the fact the fact the fact the fact the wind fact the wind fact the fac our country, where the government is en-tirely popular; are there not in each party washed overboard, one of whom drifted leaders and executive committees, and to a distance of two miles, but all were journalists, and men liberal with money,
